MINUTES OF MEETING

Date: 9/16/2026

Present: Alan Caudle, Kathleen (Katy) Farrar, Avis Little, and Jennifer Smith

A Business Meeting was held on 9/6/2026 to elect a new trustee to replace deceased Statesville Friends Church trustees. Alan Caudle volunteered and was unanimously accepted to serve as our sole trustee. That change will be reflected on a new deed at a later time this year or early next year. A real estate lawyer will be hired to represent our Meeting regarding any property changes.

We are in communication with Statesville's Historic Sharpe House and with Lake Norman's Heart Collaborative, Inc to discuss a proposal for our historic Statesville Friends Meetinghouse to be deeded to an entity that would ensure continued preservation and community use, while permitting Statesville Friends to use the building for 2 hours every Sunday indefinitely. The proposal will be addressed at the November 2026 Historic Sharpe House/Heart Collaborative board meeting.
